

I would like to take this opportunity to thank the Norwegian Buhund Club for inviting me to judge their Open Show. After owning a Buhund since 1883 and judging various open and non-CC Champ Shows it was an honour to judge the Club Show. Although I would love to have seen some puppies, in this present climate I respect the breeders for not over breeding. There were some lovely examples of the Breed on the day, in particular the Best in Show, a dog which represented a 'true' Norwegian Buhund. He reminded me of Miss Outram's Glynterion lines for those who remember.

I would like to extend my thanks to the stewards, and the Committee, for their hard work on the day and thank you for the fabulous spread put on for lunch. I always admire the exhibitors' comradery at Champ Shows with their 'picnics' on the benches.

Keep up the great work, and let's keep the Norwegian Buhund true to its ancestry.
