## IMPORTANT NOTICES FOR EXHIBITORS

**DOGS IN CARS:** Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of you dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

**IDENTIFICATION OF CRATES/CAGES:** All cages must carry the owners contact details. Exhibitors are responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose (KC requirement).

**USE OF SOFT CRATES:** The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows, as in its view they do not offer sufficient protection for dogs. Soft crates left unattended at the ringside are a potential hazard, particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

**LITTER:** Litter bins and dog waste bins are provided. Please help to keep this venue clean and tidy by placing all paper, refuse, and dog waste into the bins.

**CHILDREN:** Children remain the responsibility of their parents or guardian at all times.

**FOULING:** Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.

**GANGWAYS:** Exhibitors are requested to keep all gangways clear. No tables or cages around the ringside or in the gangways. An area is designated as a Caging and Grooming area (KC rules).

**EXERCISING OF DOGS:** Exhibitors must not exercise their dogs beyond the precincts of the show.

**SALES GOODS:** Sales of goods, other than in the 'Club shop', is not allowed.

**REFRESHMENTS:** There will be refreshments available during the day, and a picnic for lunch (all are asked to donate an item for the picnic).

**PHOTOGRAPHY & FILMING:** The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.
